- Give knowledge and aware to contractual workers about production increase production and quality and end to end manufacturing process in result skilled manpower increase.
- Responsible for availability of material in store and take inventory daily before start shift daily.

SKILLS

Knowledge of end to end production process .

Knowledge of 5's

Knowledge of six sigma.

Kaizen implementation.

Take Responsibility.

Knowledge of Troubleshooting.

Process control skill.

Matrix skills.

Improve production efficiency.

LANGUAGES

HINDI.

Native or Bilingual Proficiency

ENGLISH.

Full Professional Proficiency

INTERESTS

Communication of new people.

Curiosity learning of new things.

Team work.

Creativity and innovation.

New ideas for better results.

Interacting with people.

WORK EXPERIENCE

12/2019 - 06/2020

Achievements/Tasks. Bias Marangoni machine.

- Knowledge of hot lamination and cold lamination manufacturing end to end process and machines.
- Knowledge of lamination tire sizes with final compound which use to laminate on carcass.
- Knowledge of all carcass and identify by outer diameter with ply number.
- Give urgent green tire (G.T) on urgent requirement basis from curing.
- Responsible for 5s and good housekeeping and safety norms.

Bhuj (Gujrat), India.

EDUCATION

High school 10th. SMS Y HSS BADANPUR KASGANJ.

05/2010 - 06/2011

First class division with 72.5%

- Physics
- Chemistry
- Math
- English

Kasganj (U.P)

INTERMEDIATE 12 th. S.K.M INTER COLLAGE.

05/2012 - 06/2013

First class division with 72.8%

- PHYSICS
- CHEMISTRY
- MATH
- ENGLISH.

Kasganj (U.P)

Diploma (mechanical engineering). G.L.A UNIVERSITY (MATHURA)

06/2015 - 07/2018

First class division with 68%

- Theory of machines (TOM).
- machine Design and drawing (MD).
- Manufacturing process and building materials.
- Advance production technology.
- Engineering mechanics.
- Measurement and metrology.

Mathura (u.p).
