## **KRUPAL PATEL**

Contact No: +91-7405735225/7567021267 Email Address: krupal27695@gmail.com

Address: A/25 Omkar Residency, B/H Samrat Nagar, Isanpur, Ahmedabad-382443, Gujarat

## **PROFILE SUMMARY**

- Focused and resourceful individual with nearly 5 year of comprehensive experience in **New Product Development**, **Production Planning**, **Production Management**, **Research & Development and ISO documentation**. Currently associated with Maxxis Rubber India Private Limited as Junior Engineer.
- Skills of Problem Solving, Report Generation, ISO Documentation, Process Audit and Material Inspection.
- Maintains production controls by preparing and recommending policies and procedures.
- An enterprising person with strong planning, communication, interpersonal, analytical and negotiation skills, proven capability to surpass targets within deadlines with pressure and work with multi-cultural systems.

### **CORE COMPETENCIES**

- New Product Development
- Production Planning
- Research & Development
- Process Improvement
- Quality Check

- Coordination
- Assembly line Management
- Report Generation
- ISO Documentation
- Material Inspection

### **SOFT SKILLS**

• Time management, Flexible, Problem solving, highly, motivated, adaptive Judgment and decision-making.

#### **PROFESSIONAL EXPERIENCE**

# Maxxis Rubber India Private Limited, Anand Junior Engineer In Research and Development Department

December 2017 - Till Date

- Working closely with Machine shop, Molding department, Design and Development department to develop
  prototype of tires along with this finding the reason for failure of tires and make highly effective tire with the
  help of R & D Department.
- Handling Prototype and Pre-launch Process for every new tire size and responsibility to transfer it into mass production.
- Managing Testing of tires & molds checking which comes under our department.
- Use Autocad to conduct treads profile and elongation layouts.
- Involved in the project of road test for making new tires or to improve in existing projects and complete associated reports.
- Active part of the CFT team of organization, adept at identifying the root cause of defects and implementing
  creative, targeted solutions to solve defects & for process improvement in production.

- Handling Customer audits and Internal Audits like ISO 9001:2015, ISO 14001:2015

## Gayatri Rub Tech, Vatva Production Supervisor

July, 2017 - November, 2017

- Planned a schedule of rubber roll production as per customer's requirement.
- Handled the production and looking the quality of rubber rolls.

## Pharmech Engineering Co. Vatva

Junior Engineer

- Production Assembly of pharma machineries.
- Supervising the manufacturing processes, ensuring quality work is done in a safe, efficient manner.
- Identifying, documenting, and reporting unsafe practices.

## **EDUCATION DETAILS**

- 2016 BE in Mechanical Engineering from Universal College of Engineering & Technology (GTU) with 7.33 GGPA
- 2012 HSC from Darpan Higher Secondary School, Maninagar (GSHEB) with 53.81%
- 2010 SSC from Shree Muktajivan Higher Secondary School, Isanpur (GSEB) with 81.38%

#### **ACADEMIC PROJECT**

## Design and Development of Coal Crusher (Final Year B.E Project)

May, 2015 - June, 2016

June, 2016 - June, 2017

• Design and fabricated prototype of Coal Crusher by which the coal gets crushed in fine particles and the efficiency of the boiler can be increased by the input of the fine crushed coal in the boiler.

## **ACHIEVEMENT & PARTIPATION**

Initiated a technical environment in the college by introducing technical competitions like 'ROBO-MATRIX' and
various technical competitions for the first time. Ensured high participation of students respectively and also
participated in event held in IIT-Mumbai (March, 2015)

## **TECHNICAL SKILLS**

 Sound knowledge in application of Windows, MS Office, AutoCAD 2014, PDCA, FEMA, 7QC Tools and Internet Applications.

## **PERSONAL DOSSIER**

Date of Birth: 27<sup>th</sup> June, 1995

Language Known: English, Hindi and Gujarati
