**Career Objective:** Seeking challenging roles using work experience and skills of managing and organizing, for a well reputed and established business unit of National scope.

---

## **Professional Synopsis**

- Having approx. **5.0 years'** experience in **Quality and Production** in Rubber Automotive components industry.
- Currently designated as a **Production In charge** in **M/s Parul Rubber Product Pvt. Ltd ,Bahadurgarh** an ISO 9001-2015,certified company.
- Having knowledge of Rubber and Chemicals Mixing, Rubber and Rubber to metal bonded Automotive components, all types of Rubber hoses high pressure and low pressure, Product Performance testing, process control, Compound Development, Monthly trend and report, Root cause analysis, In-house complaints and action plan (CAPA), Continual improvement, Preventive maintenance plan and actual, 5s, recipe management, new product development, process audit, Management Review Meeting, Internal Audit.
- Knowledge of ISO 9001:2015 Quality Management System & Management Representative (MR).

## **Professional Qualification:**

- B.Tech in Mechanical Engineering studied from MDU Rohtak with 72% in 2018.
- Higher secondary in the stream of science studied from AHSEC With 69% in 2014
- Matriculation from SEBA with 68% in 2012

---

### **M/s Parul Rubber Products Pvt. Ltd, Bahadurgarh ,Since April -2021 to till now as a **Production In charge****

- Monitoring and examining each stage of production.
- Participation of New compound development& new compound recipes.
- Perform new Product trial Rubber and Rubber to metal bonded Parts.
- Conduct Training as per schedule.
- Preparation of Compound test report and analyze as per the specification.
- Making CAPA Reports on NC products.
- Handling In-house Rejection and taking action plan as required.
- Implementation of safe working Procedure in manufacturing unit.
- Performing all kind of Lab-Testing work.

### **M/s Jinkoh Polymers LLP, Gurgaon,Since April -2018 to Mar-2021 as an **Engineer - Quality****

- Monitoring and examining of Production plan and actual as per target.
- Making test report of all kind of rubber hose.
- Perform in-house rejection control and action plan.
- Participation in new hose development.
- Making pre-dispatch inspection Report.
- Perform all kind of lab testing work.
- Maintain all the Records of ISO 9001-2015
- Conduct Training as per schedule.
- Performing on ISO Audit.

## **Responsibilities Mixing Production**

- Achieving target of Production and Scrap control.
- Receiving and execution of planning by utilizing manpower.
- Handling Daily Production Inspection Report.
- Daily Compound stock update and giving Raw material Requirements monthly or weekly.
- Co-ordination and communication with department like R&D, STORE, MAINTENANCE, and QUALITY for various issues and implements.
- Prepare Inspection Report of all compounds as per the standard.
- Having knowledge of mixing process of compounding material like Rubbers, Chemicals, Fillers, Process oil and Curing agent.
- Observing Process parameters as per specification.
- Immediate Rejection control on the Process.
- Maintaining 5S and FIFO system in production.

## **Responsibilities Lab testing**

- Tensile strength and Elongation test.
- Hardness test
- Specific gravity test.
- Ash content test.
- Rheological test.
- Metal to Rubber bonding/adhesion test.
- Ageing test of compound.
- Compression set test.
- Melting point.

## **Additional Works**

- Rubber compound & Product testing
  1. Proof pressure and Burst pressure testing of hose as per standard.
  2. Instrument operation knowledge Like: ODR, Melting Point Apparatus, Tensile UTM, Hot Air Oven, Muffle Furnace Profile Projector etc.
  3. Making slab and Button.

## **Internships**

---

**M/s NTPC Khalgaon, Bihar, for 30 days as Trainee Engineer**

- Project on coal handling plant.
- Project on Boiler, Turbine, cooling tower, Generator.

**M/s Emami Ltd , EPIP Complex amingaon Guwahati, for 30 days as Trainee Engineer**

- Project on daily production and Maintenance.
- Project on all types of skin care products..

---

## **Achievements**

- I have completed Three times ISO 9001-2015 Quality Audits.
- I have always done my Projects on due time.

## **Personal Information**

- Father's Name : Kh Shahidul Islam
- Date of Birth : 01/01/1996
- Current Salary : 27000 per month
- Expected salary :
- Hobby : Visiting new places.
