Government Polytechnic Ratura Rudraprayag, Uttrakhand

Title

To create Yellow Pages for Rudraprayag district using online platform.

Description:-

The aim of this study is to provide information promptly, accurately and conveniently on all the products and services to a tourist in Rudraprayag district. The information is organized by categories which can include best places to visit, hotels, restaurants, route maps for specific locations, etc. The user can directly interact, which means it provides a wealth of assistance and information which allow tourists and visitors to properly plan their itineraries and avoid any complications or unpleasant surprises. It is user friendly and less time consuming i.e., user can access it to extract details anywhere, anytime with Yellow Pages.

- **Responsibility:-**

    Worked as an active member in a group of 5 people and contributed in coding and development process.

- **Key technology: -**
